Privacy Policy for Casa Bedrock

www.casabedrock.com is hosted on the Wix.com platform. Wix.com provides us with the online platform that allows us to sell our products and services to you. All personal information* you disclose to us during the enquiry process and also before, during or after the booking process will be treated with the strictest confidence and not disclosed to any third party. Such information is strictly private and will solely be used to provide you with the best possible service. For these purposes we may contact you via email, telephone, text messages, postal mail and, where we have been granted your permission - social media.

Personal information: We may need your email address / addresses, telephone numbers, guests names & home addresses in order to complete the booking process, to request deposit, balance & bond payments & any additional details deemed necessary in order to complete our agreement with you our guest / guests.

Occasionally we may use your contact information to make you aware of updates to our website or property and also special promotions. You can unsubscribe from these by writing to us at dave@davelambert.net or via the Contact Us facility on our website.

Our site does not use cookies and the only advertisement you will see is the one generated by Wix.com aimed at those who may wish to create their own website using the wix.com platform.

External Links

Any parts of our website that link you to other websites or Apps are independent of, and do not operate under this Casa Bedrock website Privacy Notice. We recommend that you examine the privacy notices & policies posted on those other online areas to understand their procedures for collecting, using, and disclosing your personal information.

Please be aware that web browsers such as Google track your online activity including your viewing of Casa Bedrock webpages plus any links to other sites such as YouTube and Facebook. They act independently of the Casa Bedrock website & we have no control over how they may use this information to target advertising / other.
